- B. You wish to use the Materials for the purposes referred to in Recital A. Flinders agrees to grant You a licence to use the Materials in accordance with the terms and conditions set out below.

 - (i) You must ensure that Flinders and Flinders University Student Association shall be properly acknowledged as the creator of the Materials if you provide or make available to the public any Materials;
 - (ii) To the fullest extent permitted by law, Flinders disclaims all liability (including for any indirect, special, incidental or consequential damage or loss and whether in an action of contract, tort or otherwise) for any loss or damage suffered or incurred by any person whether directly or indirectly by reason of any use or misuse of, or reliance upon, the Materials.
- D. By exercising the Licensed Rights (defined below), You accept and agree to be bound by the terms and conditions of this licence. To the extent this licence may be interpreted as a contract, You are granted the Licensed Rights in consideration of Your acceptance of these terms and conditions, and the Licensor grants You such rights in consideration of benefits the Licensor receives from making the Licensed Material available under these terms and conditions.
